CITY OF MISSISSAUGA RECYCLING COMMITTEE

Garbage costs YOU money. It cost money to pick it up and it costs money to dispose of it. Mississauga generates over 1300 tons of garbage every week, and it all goes to a landfill site. We must cut down on the amount of garbage, and we must do it now.

WHAT CAN YOU DO?

REJECT

- overpacked goods, e.g. boxes in bags in boxes.
- disposable containers, e.g. pop bottles and cans. Ask for refillable bottles.
- disposable articles, diapers, plates, cups, towels.
- inferior goods. COMPLAIN if you are not satisfied.

REUSE(whatever you can).

- repair clothes, appliances, furniture.
- give unwanted items to someone who can use it, e.g. the Salvation Army, Crippled Civilians (Call for pickup).
- paper bags can be used again for lunches, groceries, storage.
- buy second hand if new is not essential.
- share with a neighbour or rent large items like garden appliances which are only used once or twice a season.

RECYCLE

- garden and kitchen waste as compost.
- make new things out of old, e.g. children's clothes.
- make fireplace logs out of newspapers.
- take bottles, tin cans and paper to your local recycling depot.
